

Prevent Detect React

Our security strategy is built on a proven three-stage model: Prevention, Detection and Action

OUR MISSION

Fast, lawful protection for landowners through expert evictions and proactive security — delivering peace of mind when it matters most.

OUR VISION

To be the UK's leading name in land protection — setting the standard for lawful evictions, trusted security and rapid response across every sector we serve.

OUR COMPANY

V3 Services Ltd is a specialist eviction and security company protecting land, property and assets across the UK. From traveller evictions to CCTV and access prevention, we combine legal expertise with a rapid, professional response — trusted by landlords, agents and commercial clients nationwide.

OUR SERVICE

PREVENTION

Prevent incursions by securing sites with robust experience lead measures, from heavy-duty concrete blocks, tailored detection systems to physical guarding—the first line of defence should be the strongest.

DETECTION

We protect our clients land with 24/7 monitored CCTV towers, motion-activated cameras and alarms — all designed to detect and deter intrusions instantly.

ACTION

In the unlikely event of an incursion or for sites not yet protected by us, our team carries out swift and lawful evictions utilising Common Law, regaining control quickly with minimal disruption.

Protect What Matters Most

At V3 Services, we understand your land, property, and peace of mind are vital. From securing vacant sites and deterring trespassers to managing live surveillance and lawful evictions, we act fast and effectively. Our tailored strategies combine 24/7 monitored CCTV, concrete barriers, and legal enforcement — keeping you in control, no matter the threat.

→ Why Choose Us?

- **Tailored Coverage:** Every site is different — we design custom protection plans that address your specific vulnerabilities.
- **Rapid Response:** From K9 units to CCTV deployment or evictions, our agents move quickly and decisively.
- **Lawful Enforcement:** We Utilise specific sections of common law to carry out legal evictions, all of which are undertaken by senior, experienced agents.
- **Proven Deterrents:** Concrete blocks, security gates, and monitored CCTV systems designed to stop trespassers attempting to gain access.
- **Trusted by:** We work with landowners, landlords, management companies, land agents and legal professionals across the UK.

RECONEYEZ

RECONEYEZ—MILITARY-GRADE, WIRELESS SURVEILLANCE TRUSTED BY BORDER AGENCIES WORLDWIDE. BATTERY-POWERED AND CLOUD-CONNECTED, IT THRIVES WHERE TRADITIONAL SYSTEMS CAN'T. THE MOMENT MOTION IS DETECTED, HD IMAGES ARE CAPTURED USING DAY/NIGHT VISION AND SENT VIA MOBILE NETWORK TO OUR CLOUD. THERE, ADVANCED AI INSTANTLY VERIFIES WHETHER IT'S A REAL THREAT—TRIGGERING AN ALERT ONLY WHEN ACTION IS TRULY NEEDED. FAST, ACCURATE, AND TOTALLY AUTONOMOUS.

OVERWATCH

AT V3, OUR ULTRA-LIGHT MOBILE CCTV TOWERS ARE ENGINEERED TO SECURE EVEN THE MOST EXPANSIVE SITES WITH EASE. ONCE ON SITE, EACH UNIT CAN BE FULLY OPERATIONAL IN MINUTES, EXTENDING TO OVER 6.5 METRES TO ESTABLISH A HIGH-LEVEL SURVEILLANCE PERIMETER. THEIR RAPID-DEPLOYMENT, RELOCATABLE DESIGN GIVES OUR SECURITY TEAM A BROAD, ELEVATED VANTAGE POINT—DELIVERING REAL-TIME ALERTS ON ANY UNAUTHORISED MOVEMENTS ACROSS YOUR PROPERTY.

SENTRY TOWER

YOU'LL GAIN UP TO 230 FT OF TRUE PERIMETER COVERAGE WITH THE SENTRY AUTONOMOUS SURVEILLANCE TOWER, THANKS TO RECONEYEZ'S RUGGED SENSORS AND AI-DRIVEN OBJECT VERIFICATION. FALSE ALARMS BECOME A THING OF THE PAST, AND YOU'LL NEED FAR FEWER UNITS—MAKING YOUR SECURITY BOTH SMARTER AND MORE COST-EFFECTIVE.

AT 7.5 FT TALL ON A HEAVY-DUTY TRIPOD AND POWERED BY SOLAR RECHARGE, THE SENTRY DELIVERS AN IMPOSING DETERRENT AND SUSTAINABLE UPTIME—EVEN OFF-GRID.

K9 UNITS

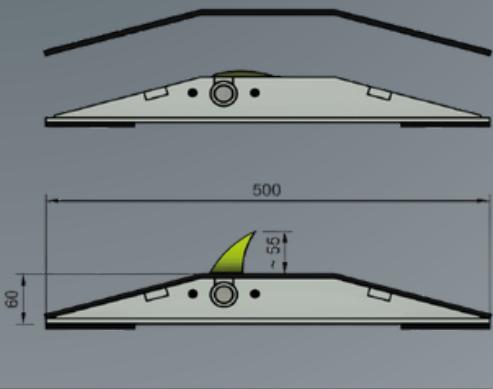

K9 SECURITY TEAMS COMBINE SKILLED HANDLERS WITH HIGHLY TRAINED DOGS TO OFFER SUPERIOR PERIMETER DEFENCE, RAPID INTRUDER DETECTION, AND IMMEDIATE TACTICAL RESPONSE. SPECIALISING IN AREA PATROLS, BUILDING SWEEPS, AND CROWD MANAGEMENT, UNITS DEPLOY QUICKLY AND INTEGRATE EFFORTLESSLY INTO ANY CURRENT SECURITY INFRASTRUCTURE. A K9 PRESENCE IS A SIGNIFICANT DETERRENT TO ANY TRESPASSER OR POTENTIAL THREAT. A SUPERIOR SECURITY MEASURE ON ITS OWN AND EVEN GREATER WHEN COUPLED WITH OUR OTHER SECURITY SYSTEMS IN PLACE, PROTECTING YOUR LAND AND ASSETS.

GATE CLAW

GATECLAW: A UK-DESIGNED, SURFACE-MOUNTED VEHICLE BARRIER BUILT FROM EXTRA-THICK, WELDED STEEL PLATE. EACH 500 MM MODULE STANDS JUST 60 MM TALL YET CONCEALS A ROW OF SPRING-LOADED, HIGH-TENACITY STEEL SPIKES THAT REMAIN SAFELY RECESSED UNTIL SET, HALTS ANY UNAUTHORISED APPROACH. WHETHER DEPLOYED AS A PERMANENT FIXTURE OR A SEMI-PERMANENT FLOW-PLATE, GATECLAW HANDLES EVERYTHING FROM CARS TO HEAVY TRUCKS, DELIVERING UNCOMPROMISING SITE PROTECTION WITH MINIMAL INSTALLATION.

LOXAL LOCKS

AWARDED THE COVETED GOLD RATING BY INDEPENDENT TESTER SOLD SECURE, THE FACE FIX KEY SAFE (FFKS) IS THE MOST ROBUST KEY SAFE AVAILABLE. CRAFTED FOR MAXIMUM RESISTANCE AGAINST ATTACK, IT FEATURES A REINFORCED STEEL BODY AND A SPACIOUS PULL-OUT DRAWER TO ACCOMMODATE MULTIPLE KEYS OR ACCESS CARDS. WITH ITS PRECISION-ENGINEERED COMBINATION LOCK AND TAMPER-PROOF DESIGN, THE FFKS DELIVERS UNRIVALLED ON-SITE KEY SECURITY AND PEACE OF MIND.

CONCRETE BARRIERS

PRECAST CONCRETE BLOCKS, STEEL BARRIER GATES, AND RELATED PRODUCTS OFFER A VERSATILE DEFENCE AGAINST UNAUTHORISED ACCESS—SECURING LAND, BUILDINGS, AND PERIMETERS WITH EASE. IDEAL FOR SITE BOUNDARY PROTECTION. BLOCKS ARE AVAILABLE IN VARYING SIZES AND WEIGHTS TO SUIT EACH INDIVIDUAL APPLICATION, WITH THE LARGEST BEING 6 METRES IN LENGTH AND WEIGHING 5 TONNES EACH.
